2022 GFM Natl SC in person schedule 3-10-2022.pdf;

Dear Colleagues,

We look forward to welcoming you to Lake Williamson Christian Center in a little over a week! Please watch the welcome video below!

https://youtu.be/V_jfnYUrb4

We realize how tricky it can be to step away from home and campus and are praying for you as you take all the steps necessary to join us. Attached you will find a draft of our schedule. Our plenary sessions will draw on a variety of scriptures. Our small groups will focus on John 3, 15, and 20. There is no “pre-course” for this conference. We encourage you to take time before you arrive to reflect on how you’re entering the conference, pray for our time together, and rest as you are able.

Thank you for your patience as we’ve developed the covid protocol for this conference. *If you haven’t already done so*, please read Lorrey’s email (sent Tuesday, 3/8), then complete [this very short form](#) to confirm whether you will attend in person or online. If you have questions or need additional help, please contact Lorrey Thabet (about logistics) or Jill Etherington (about our covid protocols.)

We’re excited to see how the Lord will meet us as we draw closer to God and one another.

See you soon!

Emily Umuis, Tammy Gonzaga, Laura Valenga, Bob Clark, Leon Fillyaw, Lorrey Thabet, Jill Etherington, and Marcia Wang
