## 2019 Nor Cal Grad Student Winter Conference

February 1-3, 2019

Redwood Christian Park • Boulder Creek, CA

INFO & REGISTRATION:

[bit.ly/2019WinterConference](http://bit.ly/2019WinterConference)

The doctrine of the Trinity can seem confusing or illogical; yet the Christian church universal has persisted in its claim that God is Father, Son and Spirit, three persons, one substance. Where did we get this understanding of God from? And why does it matter?

At Winter Conference we will not only learn about the doctrine of the Trinity, but we will contemplate and worship the Trinity. It is our hope and prayer that as we learn with not only our mind, but also our heart, soul and strength, we will love the Triune God more deeply, even as we better understand how He relates to us and the world.

Come! Deepen your faith. Inspire your chapter! Fellowship with colleagues! And find your calling!

- Invite your friends!
- Grad students from all campuses welcome!

REGISTRATION (New deadline: Jan 20, 2019)

- IVCF Grad chapter: \$120/person
- Non-IV Grad chapter: \$140/person
